Content Author		View / Preview	View / Preview	Add / Move / Copy Edit / Crop / Filter	Create / Edit	Use Launchpads	View
Read Only		View / Preview	View / Preview	View / Preview	View / Preview		View
Launchpad User						Use Launchpads	

Three Korbyt Products in One Content Management System

- CMS User Roles for the three Korbyt products (Signage, Desktop, and Mobile & Web) are managed separately
- For CMS Users to have access and privileges in the different systems they need to have a role in each system
 - The separate systems are on different tabs when managing CMS Users
